

LOVE THAT CAME TO SAVE

Caleb Clements

Bm D
In Your image we were made
G
To bring glory to Your name
Bm A/C# D
But we turned and walked away
A G Bm /// D /// G /// ///
From the Father's hand we strayed

Sent Your one and only Son
To redeem what we had done
Jesus suffered on the cross
Gave His life to save the lost

Bm D
What a price You had to pay
G
To redeem the world You made
Bm A/C# D
Sin defeated through the grave
A G Bm
Oh what love that came to save

In the empty grave we claim
That Your promises remain
And the work You have begun
You will finish when You come
