

# **SPIRIT COME**

Trever Hoehne, Todd Proctor

Am                    F                    C  
Come to all the weak who call your name  
Am                    F                    C  
Come and fill the longing of your saints  
Am                    F                    C                    G  
Come that we may see your glory fall  
                  Am  
Fall on us

Am                    F                    C  
Come invade our broken hearts in need  
Am                    F                    C  
Come and bring us visions give us dreams  
Am                    F                    C                    G  
Come that we may see your glory fall  
                  Am                    F  
Fall on us

Am                    G                    F  
Come and guide our lives  
Am                    G                    F  
Come open our eyes  
Am                    G                    F  
Come and show us Christ  
                  Am // F // C  
Spirit Come

F    Am                    G  
Oh mystery, in awe we seek You  
F    Am                    G  
Expectantly, we long to meet You  
Dm   Am                    G  
Oh mystery, we know we need You
